

# Child Life Seminar 101

Hosted by Huntsville Hospital Child Life, Music Therapy, & Creative Arts Department

This seminar is open to high school juniors/seniors, college students, and adults interested in learning more about the field of child life. This is an introductory seminar to learn more about the child life profession. Some key topics that will be discussed are the following:

- What is child life?
- How do I follow the child life career path to become a child life specialist?
- What does a typical day look like in this profession?
