

Child Life Seminar 102

Hosted by Huntsville Hospital Child Life, Music Therapy, & Creative Arts Department

This seminar is open to college students who are actively pursuing a degree or concentration in child life. This is an opportunity for some hands-on learning experience with Certified Child Life Specialists. Some key points that will be addressed are the following:

- Bereavement
- Boundaries
- Case studies/scenarios
- Internship/practicum application and interviewing
- Medical Play
- Prioritization
- Alternative Settings
